FEATURED PRESENTER

Celia McAdam

Director, Placer County Transportation Planning Agency (PCTPA)

Executive Director of PCTPA since 1998, as well as Executive Director of the South Placer Regional Transportation Authority since its inception in 2001, Ms. McAdam has been repeatedly recognized statewide as an innovative leader who can “get projects done”.

Her innovative ideas, commitment to collaboration and persistent focus on project completion has changed the transportation landscape of Placer County and beyond.

Is your firm ready for change?

Come hear about how the PCTPA is poised to take advantage of the federal MAP-21 highway authorization for 2013/2014! Listen for tips about how “thinking outside the box” is increasingly essential for business success! Network with colleagues and make new connections!

Calmentor North Region is an Architectural & Engineering (A&E) mentor-protégé and professional development program. Caltrans North Region has partnered with the American Council of Engineering Companies (ACEC) to fulfill Governor's Executive Order No. S-11-06 - designed to encourage and support small business participation in contracting with the State of California. Through voluntary partnerships with established firms, North Region Calmentor strives to increase the participation of small A&E firms in public transportation projects, both state and local, in the Northern California region.
