

Blood Drive in support of Marco Palilla

A donor club has been set up for colleagues, friends, and family to support Marco by making blood donations in his name. The donations will be tracked by Blood Source and replenish the overall blood supply in support of Marco. You can donate in Marco's name at any Blood Source blood drive or location over the coming months.

If you are interested in participating, please schedule an appointment at www.bloodsource.org or call 866.822.5663. At the time of donation, you can tell them you are donating to the **Marco Palilla Donor Club** and/or **Donor Club #0326**.

Walk-ins Welcome!
